17

October 22, 2021

Hall of Champions, Kyle Field

A large, stylized blue outline of the letter 'Q' that serves as a background for the text on the left side of the page.

# WHAT IS THE TEXAS A&M FOUNDATION?

**Established in 1953, the Texas A&M Foundation is a nonprofit organization that builds a brighter future for Texas A&M University, one relationship at a time.** Our team partners with former students, corporations and other supporters to match their charitable passions with opportunities for purposeful philanthropy at Texas A&M. These investments support scholarships, faculty research, student programs, campus traditions and facilities, greatly enhancing Texas A&M's mission to provide the highest quality educational experience for all Aggies.

The Texas A&M Foundation congratulates all 2021 and past Aggie 100 honorees for demonstrating a commitment to entrepreneurship and innovation. Our team supports and celebrates these hardworking entrepreneurs as they continue to embody the Aggie spirit and core values throughout the state, nation and world!

Howdy Ags,

The McFerrin Center for Entrepreneurship is immensely excited to welcome you back to campus for a special Aggie 100<sup>®</sup> celebration almost 2 years in the making. While our team rallied to produce a remarkably memorable virtual Aggie 100<sup>®</sup> experience for the Class of 2020, it was bittersweet to not be able to celebrate as we have enjoyed for 15 years prior. Perhaps that's why I am excited to see so many of our Class of 2020 members joining us this evening, to make up for all the smiles, handshakes, hugs and Howdys that were missed last year.

It has likewise been remarkable to see the students return en masse this fall, as we welcomed a record 12,000 new Aggies to campus. They have made it blatantly obvious that – despite our efforts to convey some modicum of the Aggie experience virtually – the current students are desperate to get back to that near-normal campus experience as well.

Seeking always to learn from challenges, I was personally surprised to realize that one of the greatest cravings our student entrepreneurs seek to immediately satisfy is their opportunity to connect with and learn from you – the Former Student entrepreneurs who capture their excitement and inspire their dreams. Whether you realize it or not, you have an entire generation of aspiring Aggie Entrepreneurs watching you, copying you...even aiming to out-perform you. Stand proud that your example creates such an important impact – but just don't stand still. We invite each of you here tonight to leverage your Aggie 100<sup>®</sup> success, your leadership, and your expertise to give back and guide today's students through our efforts at the McFerrin Center for Entrepreneurship.

As we look forward to welcoming our Aggie 100<sup>®</sup> Class of 2021, we remain grateful for your unwavering dedication to being an exceptional business owner and leader. During a time when many had to focus strictly on survival, you have reached outstanding levels of growth and success. We applaud your ingenuity, appreciate your perseverance, and share in your Aggie Spirit to be great when greatness was needed most.

Thanks and Gig 'em,

A handwritten signature in black ink that reads "Blake Petty". The signature is fluid and cursive, with the first name "Blake" and last name "Petty" clearly legible.

## Special Thanks

# A HEARTFELT THANK YOU

The McFerrin Center for Entrepreneurship is honored to have the privilege to celebrate successful Aggie entrepreneurs. Aggie 100 would not be a 17 year tradition without the many people and organizations that continue to support Aggie 100 year after year.

PKF Texas is an integral piece of the Aggie 100 every year. PKF is a global network of accountancy firms and the official accounting firm of Aggie 100. Each year their Texas firm reviews and verifies hundreds of Aggie 100 applicants. Their outstanding team ensures that each Aggie 100 honoree fulfills the requirements of the award. Without PKF Texas, Aggie 100 simply would not be possible.

The Texas A&M Foundation has been a generous Aggie 100 sponsor since the inaugural year in 2005. As the primary academic fundraising institution for Texas A&M, they inspire philanthropy to support the University. The Foundation works with former students, corporations and other supporters to match their charitable interests with the university's priorities. Both Aggie 100 and the McFerrin Center are possible because of the Foundation's efforts and we are grateful for their continuous support.

The Brazos Valley Economic Development Corporation continues to be a valued corporate sponsor for Aggie 100. Each year their sponsorship underwrites the cost of the Aggie 100 Honoree Cocktail Reception. And in 2021, they have increased their support to honor the Class of 2020 at an exclusive luncheon to make up for the canceled 2020 event. The mission of the public-private organization is to pursue the economic growth of Brazos County without regard to municipal boundary.

We're not just lawyers, we're strategic legal advisors with one objective in mind - to get our clients where they want to be.

## Why Farmer Law, PC?

- Boutique law firm specifically focused on the Agriculture Industry with a personal understanding of industry pain points and solutions to tackle them for our clients.
- Efficient Response Times
- Extensive Experience. In just the last two years, we've filed 347 H-2 applications with totaling 5599 certified employees provided to clients.
- 100% Client Retention. We value relationships.
- 73% of growth in 2021 is due to current client referrals.
- Client relationships include top producers throughout the livestock industry.

Your Needs For Labor Drive Our Sense of Urgency

## Not Your Typical CFO Company

**Peerless CFO Services provides bookkeeping and tax services for small businesses and individuals.** As a contract accountant services company, Peerless works with you to ensure your financial accounting is done accurately and timely using the technical expertise you need and deserve at a practical price.

Peerless CFO Services is co-owned and operated by Janet Long, CPA and Cyndi Harmon. The two are sisters as well as business partners.

### Financial assistance by Aggies, for Aggies... and everyone else.

After growing up in the Conroe area, Janet Long, CPA, and Cyndi Harmon graduated from **Texas A&M – Class '94**, and subsequently returned to North Houston to work and raise their families. The Aggie sister duo started **Peerless CFO Services** in 2011 with a desire to help businesses have better business data to make educated financial decisions without breaking the bank.

With 20 years of accounting and financial services experience, our company is able to provide answers to technical and complex financial issues in an efficient and effective manner. We have a passion for finance, and we love applying that passion to helping small businesses and corporations alike reach their full potential. Let us focus on our passion, so that you can focus on yours – your business!

### Flocknote

**Flocknote is a smarter way to text message and email your church or ministry.**

Most churches can't reach their people when they need to in between Sundays or if a person stops showing up on Sundays. We help churches fix that with a smarter way to text message and email their members. Flocknote churches can reach all their members at a moment's notice, resulting in higher attendance, increased stewardship, and a more connected church.

# INVEST WITH YOUR CLASSMATES. WE DO.

We are a private venture capital fund for Texas A&M former students and friends. With one investment we'll provide you with a diversified fund of ~20-30 venture-backed companies, diversified by stage, sector, and geography, co-invested alongside firms like Sequoia, Khosla, and Kleiner Perkins. If you are an accredited investor and looking for a smart, simple way to invest in venture capital, join us.

Examples of portfolio company investments are provided for illustrative purposes only; there is no guarantee that any fund will invest in or achieve the same exposure to, or quality of, companies held by any existing fund. The Manager of Ring Ventures 1 is Alumni Ventures Group (AVG), a venture capital firm. AVG and the fund are not sponsored by, affiliated with, or otherwise endorsed by Texas A&M University. AVG's funds are very long-term investments that involve substantial risk of loss, including loss of all capital invested. For informational purposes only; offers of securities are made only to accredited investors pursuant to a fund's offering documents, which describe the risks, fees and other information that should be considered before investing. Contact Investor.Relations@Ring-Ventures.com for additional information. AVG offers smart, simple venture investing to accredited investors. Specifically, AVG provides a path for individuals to own an actively managed diversified venture portfolio with a single investment co-investing alongside experienced VC firms. Traditionally, with limited investment capital and contacts, individual investors have had limited access to desirable deals alongside experienced VC firms, and even if they could access one or more such deals, it would take an inordinate amount of time, money and negotiation to build a diversified portfolio. With AVG Funds, investors can choose from a number of funds to make a single investment to gain exposure to a diversified portfolio of investments selected by an experienced manager. AVG Funds' simple fee mechanism permits investors to avoid constant capital calls throughout the life of the fund as found in other private investment vehicles. All private placements of securities and other broker dealer activities are currently offered through a partnership with Independent Brokerage Solutions LLC MEMBER: FINRA / SIPC ("IndieBrokers"), which is located at 485 Madison Avenue 15th Floor New York, NY 10022. (212) 751-4424. AVG and its affiliates are independent and unaffiliated with IndieBrokers. Any securities transactions or related activities offered by AVG associated persons are conducted in their capacities as registered representatives of IndieBrokers. To check the background of IndieBrokers and its representatives, visit FINRA's BrokerCheck (<https://brokercheck.finra.org>) where you can also find our Form CRS ([https://files.brokercheck.finra.org/crs\\_153563.pdf](https://files.brokercheck.finra.org/crs_153563.pdf)).

# South Texas Building Partners

South Texas Building Partners is a facility solutions company serving the commercial and light industrial markets across South Texas. We partner with our clients to reach their facility goals including new construction, additions, remodel/renovation, and ongoing facility maintenance services. Let's talk about your goals and how we can help achieve them.
